NLSC Team,

I am writing this letter to express my heartfelt gratitude for the opportunity to work with your organization as a telecaller. My experience with NLSC has been truly transformative and it has given me a unique perspective on the importance of creating opportunities for disabled individuals to enter the workforce.

As someone with a disability myself, I understand the challenges many face in seeking employment. However through my role with NLSC I gained a deep appreciation for the efforts being made to empower and uplift people like me. It was both inspiring and fulfilling to be part of a team that is dedicated to helping disabled individuals find meaningful work.

This role not only allowed me to contribute to a cause I deeply care about but it also gave me a fresh perspective on my own abilities. I felt a sense of pride knowing that despite my disability I was able to utilize my knowledge and experience to make a difference. The work I did filled me with a sense of purpose and joy and it has inspired me to continue advocating for inclusive work environments.

Thank you for this incredible opportunity and for making me feel valued, seen and capable. The experience has been invaluable and I will carry the lessons learned with me throughout my journey.

***“NLSC empowers individuals, turning disability into opportunity and inclusion into strength.”***

With deepest appreciation,  
Shalomie
